The academic year 2024-25 at Maheshwari Public School, Ajmer Road, was marked by a series of enriching activities that fostered learning, creativity, and holistic development among students.

Co-curricular Activities

The year commenced with the reopening of the school, followed by a variety of engaging events such as Show and Tell for the younger classes, Kavita Path, and handwriting activities in both Hindi and English, special assemblies, including one on Baisakhi, and cultural events such as the Fancy Dress competition on "Unity in Diversity," significantly enriched the students' understanding of cultural heritage. Activities like colouring, drawing, and recycling competitions, which promoted environmental awareness. Students continued to enhance their skills through handwriting activities, card-making for Mother's Day, and a debate on the impact of the internet. The English Poem Recitation and Parinda Activity, where students made bird feeders, The celebration of Independence day with cultural event, a plant distribution campaign, and Janmashtami celebrations were notable highlights. The Investiture Ceremony honoured student leaders.

A visit to a goshala had been organised for the students of Preprimary- Sanskriti, on Father's Day. A rejuvenating Yoga Day session, a special assembly on Guru Poornima, the "Mera Desh Meri Pehchaan" event had celebrated India's cultural diversity.

Academics

The CBSE 12th results for the academic year have been announced, showcasing the top performers across three streams: Humanities, Science, and Commerce. In the Humanities stream, Jaishika Barwal secured the first position with an impressive score of 94.2%, followed closely by Hanshika Choudhary with 94%, and Jahnvi Gupta with 89%. The Science stream saw Abhishek Singh leading with 87.2%, Niharika Chaudhary in second place with 85.8%, and Himanshu Kumawat in third with 85%. In the Commerce stream, Akshara Parwal topped the list with 94%, followed by Mann Sharma with 86.6%, and Hardik Jain with 82.6%.

In class 10th CBSE result the top achievers for the academic year are as following- Yashika Choudhary secured the first position with an outstanding score of 96.4%. Akshita Bhardwaj and Yashi Jain both achieved the second position, each scoring 93.2%.

Drishti Choudhary followed closely in the third position with a score of 92.4%. These results reflect the students' hard work and dedication, showcasing their academic excellence and commitment to their studies.

Annual Function

The annual function at Maheshwari Public School, Ajmer Road, was celebrated with fervent enthusiasm. The occasion was honoured by the distinguished presence of Bagru MLA, Shri Kailash Chand Verma, as the Chief Guest, and the eminent industrialist and philanthropist, Shri Sudhir Ji Jaju, as the Special Guest. Esteemed dignitaries and ECMS officials also made their gracious presence. The cultural program named as Ekam- Anywhere..... Everywhere.... magnificently embodied the ethos of uniting India's rich and diverse heritage under the banner of unity.

Hare Krishna Movement

The school bagged the first position in Hare Krishna Movement all over Jaipur. And the students won the prizes for various competitions- In the Pencil Shading category, Suraj Biswas from XIA secured third place. The Painting category saw Rudransh from XI C taking first place, followed by Pragya Gupta from XII A in second, Priyansh Bansal from XI B in fourth, Jahnvi Bangari from XI C in fifth, and Tanika Jain from XI receiving a consolation prize. In Handwriting, Srishthi Kumawat from V was awarded second place, Komal from VIII third, Diya Gothwal from VIII fourth, and several students received consolation prizes, including Bhoomi from IV, Anuradha Singh from V, and Kuhu from IX. The Colouring category had Nishtha Sikarwar from IV in fourth place, Vansh Sharma from IV in fifth, and multiple consolation prizes awarded to Divyansh Sharma, Jeeva, Priyansh Verma, Jitendra Sonwal, Sanskriti, and Kritika Sharma across various grades.

Plantation Drive

Environmental awareness was further promoted through the "Ek Vriksh Maa ke Naam" activity under the aegis of ECMS. Saplings were distributed to all the students of all the sister concerns running under ECMS.

Science & English Exhibition

The Parent-Teacher Meet showcased students' projects of English and Science through an Exhibition, fostering a collaborative environment.

Sports Achievements

Students excelling in various sports and securing numerous medals. In Handball Under-19, Harshika

Sharma from class 12A won a Bronze Medal. In Wrestling Under-19, Shyam Sharma from class 12C secured a Silver Medal, while Yashpal from class 11C won a Bronze Medal. Sumit Khandal from class 11B excelled in Wrestling Under-17, winning a Gold Medal and being selected for the state team, along with Sahil Saran from class 11C who won a Bronze Medal. Avantika Bharadwaj from class 11A also shone in Wrestling Under-19, winning a Gold Medal and being selected for the state team. In Table Tennis, Samarth Kamwar from class 9A, Dheeraj Godara from class 11B, and Priyansh Banshal from class 11B each won a Silver Medal and were selected for the state team. Other notable achievements include Vandit Bansal from class 9A1 securing the 2nd position in Ice Skating and qualifying for the National level, and Mayank Kumawat and Trilok Kumawat from class 11B and 11C respectively, qualifying for the National level in shooting.

In the JECRC Inter School Badminton tournament, Tanuj Choudhary from class 12B and Gourav Sharma from class 11B both secured the third position.

These achievements highlight the students' dedication, hard work, and excellence in sports, bringing pride to our school and setting a high standard for future competitions.

Edu-Fair 2024

Edu-fair was organised by ECMS for the students of classes 9 to 12 to explore exciting educational opportunities and to discover their future. Various sessions were held for the students by various speakers and individual career counselling sessions had been organised to guide the students.

Pre-primary Sanskriti students took part to present Science projects on water harvesting, water purification and water cycle.

Harmony 2024

The students have achieved remarkable success in various sports events, securing a total of 15 medals across different categories. In skating, the school won 1 gold and 3 silver medals. The handball team, competing in the Under 19 Boys category, earned a silver medal. The cricket team also excelled in the Under 19 Boys category, bringing home a gold medal. In kho-kho, the Under 19 Boys team secured a silver medal, while the Under 14 Girls team won a silver medal in throw ball.

Anuj Bagra from class 11 Humanities secured the title of the 'Best player of the Cricket Tournament'.

In athletics, the school showcased its talent with 1 gold medal in the Under 12 Girls 200-meter race, 1 silver medal in the Under 10 Girls 200-meter race, and another silver medal in the Under 19 Girls 800-meter race. The fun races were particularly successful, with

Class 1 students winning 2 gold and 4 silver medals in the Big Fish Race, Class 2 students earning a silver medal in the Sack Race, and Class 3 students securing 2 gold medals in the Wheel Barrow Race.

Pre-primary students participated in different races and won Gold & Silver medal and made us proud.

Olympiads

The Olympiad exams tested the students' academic prowess. Throughout the year, these activities not only enhanced students' academic skills but also promoted creativity, cultural awareness, environmental consciousness, and physical fitness, making 2024-25 a memorable and enriching year at Maheshwari Public School.

Thank you.
